U.S. DISTRICT COURT
CLARKSBURG, WV 26301

V.

Criminal Case No. 1:13-CR-17

CHARLES ADKINS

Defendant

Comes Now I Charles Adkins by way of PRO SE
and respectfully moves the court to reschedule and redite
the evidentiary hearing set for June 20 2013 to be postponed
until July 20 2013 and in support states the following

A) I the defendant have not recieved the discovery packet
in its entirety. I have not heard the audio tapes.

B) Stand by counsel has not provided me with documents
in there entirety. It is impossible for I the defendant
to file on June 20 2013 when I the defendant have not
seen the entire discovery packet or listened to the audio tapes.
For all these reasons I the defendant prays that the
Honorable court will grant this motion.

Respectfully

Charles L Adkins
